

August 1, 2013

Greetings:

Imagine having access to 300 women who are interested in living better, safer, more fulfilled lives. Just such an opportunity awaits you on September 14, 2013 at Embassy Suites in Greensboro.

Sex is Not for Sissies! A Guide to Love and Life for Women of All Ages

My name is Valda Ford, MPH, MS, RN, and I have created a forum called *Sex Is Not for Sissies! A Guide to Love and Life for Women of All Ages*. With more than 30 years of experience in the healthcare arena, I have worked on six continents and across the USA to help people improve their lives. My high energy, tell-it-like-it-is seminars are in high demand with a record of success in the USA and around the world! Pulling in 400 to 800 women at each venue, I have always had to turn many away at sold-out events. Surely, you don't want to miss this opportunity!

In this session, I will candidly discuss how to start a relationship the safe and smart way, enhance intimacy in an existing long-term relationship, and bring back that loving feeling. I do it in a comprehensive and fun manner that motivates each participant to want more out of life! In the midst of the fun and playfulness is a serious message about having physically and psychologically safe relationships.

Participants will be captivated as they discover ways to:

- Find solutions to counteract the effects of menopause
- Improve their looks with facials, body wraps and more permanent enhancements
- Experiment with playful and sexy lingerie
- Learn about tools and tips to make the loving experience unforgettable
- Work with trainers and coaches to get their minds, bodies and spirits in shape
- Learn to have better overall health through partnerships with expert clinical providers

Your generous sponsorship would be highlighted in the following ways depending on level selected:

- Company name in meeting announcements and promotional materials
- Your generous sponsorship noted in the program introduction
- An opportunity to introduce the program and the speaker
- Free booth space or table to showcase products or services
- Signage recognizing contribution at event
- Acknowledgement on program learning materials

You and a limited number of representatives of your company would be most welcome to attend so that we may thank you personally for your support.

The estimated audience of 300 women would benefit tremendously from your generosity. The cost to be a sponsor is attached. There are a limited number of sponsorships available and limited booth spaces.
